“Fly with Pride” Campaign

Raise your hand and be counted. Join our campaign to create a sense of national pride and solidarity to build a Great Nation.

Help us to unite the people of this country in the greatest celebration of humanity to foster a deeper spirit of togetherness by bringing out the best in Britain to create a sense of national unity.

The time is right for us to raise the awareness of our vision of “One Britain One Nation” OBON. This vision aims to capture the imagination of our nation and bring the people of this country together by cascading our simple message based on a set of shared values where freedom, democracy, fair play, respect and tolerance are celebrated and embraced. We want people to join hands to create a thread of unity and fraternity for them to express their gratitude towards this Great Nation under our common collective identity of being British.

Britain has given us the freedom to enjoy life and we feel it is our obligation to show our respect and appreciation to those men and women who have laid down their lives for what we have today in this country. We should now take responsibility for ensuring that our children and generations to follow can be raised in a society where there is compassion and harmony based on mutual respect; for them to realise their full potential and rejoice in their love for this Great Nation.

What we would like you to do.

All changes start with small but meaningful gestures and a flag is a symbol with a very powerful message of uniting the good, kind, generous and tolerant people of our nation. Our intention is to ensure that all our people are involved in this campaign and that no one person is left out.

We want to encourage the nation through a citizen call to participate in the **“Fly with Pride”** campaign to mark the birth of the Royal baby in July 2013 in a celebratory fashion, signalling a new era for a shared vision for One Britain One Nation.

Can you picture cities and towns across our country flying the British flag with pride, from Christian church courtyards to Hindu temples, from Buddhist temples to Sikh temples, from Synagogues to Mosque minarets, from city squares to civic buildings, from museums to business institutions as a symbol of unity for all our people aspiring and celebrating life in Britain, building their families, careers, wealth and wellbeing in a truly Great Nation.

We will choose a date soon after the birth of the Royal baby for us all to participate simultaneously in the **“Fly with Pride”** campaign to showcase our love, pride and solidarity for our Great Nation.

In the meantime please take the necessary steps to purchase the relevant items in order to prepare for the celebrations.
